

Mong'are Abraham Sitori

Claude Campus Ambassador Candidate | University of Nairobi

+254 759 954 346 • sitorimongare@gmail.com • LinkedIn: Abraham (Mong'are) Sitori • Nairobi, Kenya

PROFESSIONAL SUMMARY

Enthusiastic third-year Bachelor of Economics and Statistics student at the University of Nairobi, with a strong foundation in AI tools, software engineering, and data analysis. Experienced community leader — having served as School Captain and Deputy Head of Clubs and Societies — with a track record of organising and running student-facing initiatives. Proficient in Python, JavaScript, Advanced Excel, R, and SPSS, and trained in AI for Software Engineering. Passionate about responsible AI adoption and expanding AI fluency on campus. Ready to establish and lead a Claude Builder Club at UoN, run workshops, hackathons, and demo nights, and serve as the on-campus point of contact for Anthropic.

WHY I AM A STRONG AMBASSADOR CANDIDATE

AI & Technical Fluency: Trained in AI for Software Engineering (Power Learn Project) and Data Analysis; proficient in Python, JavaScript, R, Advanced Excel, and SPSS — tools directly relevant to running technical workshops and hackathons.

Proven Campus Leadership: Served as School Captain at primary level and Deputy Head of Clubs & Societies at Nairobi School — demonstrating the exact organisational and community-building skills required for the Ambassador role.

Community Builder: Active leader in the Catholic church youth group and Red Cross, with hands-on experience coordinating volunteers, planning events, and engaging diverse audiences.

Multilingual Communicator: Communicates fluently in English, Swahili (native), and French (DELFI B2), enabling outreach across University of Nairobi's diverse student community.

Motivated Self-Starter: Independently enrolled in a Data Analysis Bootcamp during the May–August 2026 holiday period, reflecting the initiative and drive Anthropic looks for in ambassadors.

EDUCATION

University of Nairobi (UoN)

2024 – Present

Bachelor of Economics and Statistics

Third-year undergraduate. Core coursework includes: Probability & Statistics, Econometrics, Mathematical Economics, Quantitative Research, and Data Analysis — providing a rigorous quantitative foundation for AI and data-driven work.

Data Analysis Certification

May 2026 – September 2026

Mathematics Association, University of Nairobi

- Tools & Languages: Advanced Excel, R, Python, JavaScript, and SPSS.
- Applied data analysis techniques across real-world datasets; produced visualisations and statistical reports.

Nairobi School

2020 – 2023

Kenya Certificate of Secondary Education (KCSE)

Completed secondary education at one of Kenya's national schools.

Jasipa Primary School

2010 – 2019

Kenya Certificate of Primary Education (KCPE)

Completed primary education.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

Software Engineering with AI Specialisation

July – November 2025

Power Learn Project

- Software engineering fundamentals with a dedicated focus on Artificial Intelligence applications.
- Programming in Python and JavaScript — core languages for AI development, automation, and data pipelines.
- Engaged in MySQL Workbench as a database tool.
- Directly relevant to leading AI builder workshops and hackathons as a Campus Ambassador.

Leadership for Sustainable Development Goals

July – September 2025

AIIDEV Africa

- Leadership competencies aligned with the UN Sustainable Development Goals.
- Strategic planning, stakeholder communication, and community-impact project coordination.

DELFB2 – French Language Proficiency

February – June 2024

Alliance Française

Internationally recognised French language certification at intermediate-advanced level.

SKILLS

AI & Technical: Python, JavaScript, R, Advanced Excel, SPSS, SQL — data analysis, scripting, visualisation, AI tools

Event Organisation: Workshop facilitation, hackathon coordination, demo nights, club management

Leadership: Team leadership, club & society coordination, mentoring, community building

Communication: English (Proficient), French (DELF B2), Swahili (Native)

Soft Skills: Initiative, adaptability, public speaking, problem-solving, time management

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Deputy Head of School Clubs and Societies

2020 – 2023

Nairobi School

Coordinated multiple clubs and societies; mentored club leaders, planned inter-club events, and drove student participation — directly mirroring the responsibilities of a Claude Builder Club lead.

School Captain

2010 – 2019

Jasipa Primary School

Elected to represent the student body; acted as liaison between students and school administration, building consensus and driving community initiatives.

Member, Red Cross Club

2020 – 2023

Nairobi School

Participated in humanitarian awareness activities; gained experience in volunteer coordination and community outreach.

Catholic Youth Group Member

Ongoing

Parish Church

Active contributor to community service, spiritual development, and youth mentorship — demonstrating sustained commitment to community leadership.

REFEREE

Kelvin Ondieki

Programme Associate, AMREF Health Africa
